Technical information about this website's accessibility

We are committed to making our website accessible, in accordance also with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

Compliance status

This website is **partially compliant** with the EN 301 549 "Accessibility requirements for ICT products and services", the European Standard and Web Content Accessibility Guidelines version 2.1 AA standard.

Non-compliance with the accessibility regulations

- C.9.1.4.1 - In some cases, color alone has been used to identify a purpose or distinguish an information or function;

- C.9.1.4.3 – Where not allowed, visual representation of text and images containing text does not always have the minimum contrast ratio required ***;
- C.9.2.1.1 – Some features cannot be activated by keyboard (or similar input interface);
- C.9.2.4.3 – In some web pages that can be browsed sequentially and in which the navigation sequence affects their meaning and functioning, some objects that may receive the focus do not receive it with an order that preserves the meaning and operation of it;
- C.9.2.4.4 – The purpose of certain links cannot be determined by the link text or by the link text together with adjacent content;
- C.9.2.4.6 – Headers and/or labels do not sufficiently clarify content or functionality;
- C.9.3.3.1 – In some cases, when an input error is automatically detected, the erroneous item is not identified and/or the error is not described by text;
- C.9.3.3.2 – In some cases no labels or instructions are provided when the content requires input actions by the user;
